Dear Dave:

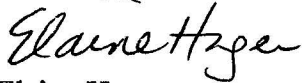

I am excited to hear about the progress that is being made on A Park For All's goal of building a barrier-free park at 6022 Lamar in the City of Mission that will serve all people, all ages and all abilities.

Serving an intergenerational constituency and having this park as the very first of its kind to be completed in the greater Kansas City area will be a significant accomplishment for our community.

I am very supportive of this project and know that you and the other Board of Directors and volunteers will be successful in securing the necessary funding to build the park.

Please keep me updated on A Park For All's progress.

Sincerely,

Elaine Hager
