Dear David:

Thank you for keeping us abreast of the progress of A Park For All. We are pleased to know the work is moving forward toward the goal of building a barrier-free park at 6022 Lamar, in the City of Mission, that will serve all people and all abilities.

The Park will be the very first of its kind to be completed in the greater Kansas City metropolitan community and will serve an intergenerational constituency.

On behalf of Johnson County Park & Recreation District, our board is supportive of this park project and hope that you, the Park For All's Board of Directors and volunteers will be successful in securing the necessary funding to complete park.

We wish you well and ask that you continue to keep us informed of A Park For All's progress.

Sincerely,

Nancy Wallerstein, Past Chair, JCPRD Board of Commissioners
