

Project Overview

“A Park for All” is a 501(c)(3) not-for-profit organization, which has a goal of building a park for people of all ages and abilities in Northeast Johnson County. We will create a destination park where anyone, and everyone, can relax and play. Our goal is not to simply create a place for those with disabilities to play, but one where everyone is invited and can play together.

The “A Park for All” project is comprised of an exceptional private – public partnership, as Johnson County has donated the land and the City of Mission has agreed to maintain the park once it is built. A \$1.3 million capital campaign is currently underway by the project’s Board, and construction is expected to start in 2010. When completed the “A Park for All” Project will be unique to any other park in the Kansas City metropolitan area.

Kansas Tax Credits

In July 2008 the “A Park for All” project received 50% Community Service Kansas Tax Credits, from the Kansas Department of Commerce. The Kansas Tax Credits are worth 50% of the dollar amount contributed and the donor receives a %0.50 Kansas State Tax Credit for every \$1.00 donated. The Kansas Tax Credits can apply against individual or corporate returns during the 2008 and/or 2009 tax years.

A basic example of how the 50% Community Service Kansas Tax Credits could work for an individual who is in the 38% Federal Tax Bracket and who makes a \$10,000 contribution to the “A Park for All” project

\$10,000.....	Gift
\$3,800.....	Federal Tax Deduction (38% Federal Tax Bracket)
\$5,000.....	Kansas Tax Credit (50% of the Donation)

\$1,200.....Actual Cost of the Gift
